

Big Changes Ahead for Waverley

Big things are coming to Waverley Library. The children's area on the lower level is about to get a major expansion, making it the largest dedicated space for kids in Thunder Bay Public Library history.

The new area will be nearly the size of an NHL hockey rink, giving children plenty of room to explore, imagine, and learn in a space built just for them. This expansion reflects our commitment to creating inclusive, dynamic environments where children and families feel welcomed, supported, and inspired.

Construction will enhance accessibility and create a vibrant setting for reading, discovery, and play. It will also allow the Library to grow its children's programming and events, helping us meet the evolving needs of our community.

This exciting transformation is made possible through public support and the monthly Friends 50/50 draw. Every ticket sold brings us closer to our goal, and YOU closer to a big win. Thank you!

Waverley Expansion By the Numbers:

- Current kids' area: 5,635 ft²
- Expansion size: 6,777 ft²
- Total kids' area after reno: 12,412 ft²
- **More than 2x** the space for kids to learn, play, and grow.

From the desk of the

Head Librarian

As you may have heard, we're moving forward with renovations at Waverley Library that will more than double the size of our Children's area. What will this mean for you? If you're visiting with children, you'll find our entire lower level filled with new spaces for active play, programming, and our expanded Children's Collection. This will be the largest dedicated children's space in the Library's history, designed to meet growing demand for kids' programs in Thunder Bay.

If you're visiting without children, the main floor will focus on your needs. We're developing adult programming and study spaces that are separate from our youngest members. Expect to start seeing changes on both floors later this year and into 2026.

Wondering how to help? Make a donation or buy tickets for the Friends 50/50 draw. All proceeds support the revitalization project (and you could win BIG).

Looking ahead to summer, we have something for everyone. The TD Children's Summer Reading Club is back at all branches, and the Adult Summer Reading Quest returns. Pick up a game board, complete it, and enter to win a prize generously donated by the Lakehead Region Conservation Authority. We're also launching movie screenings at Waverley and Mary J.L. Black branches. Check our program pages for titles and times. There will be matinees for kids and adults.

In collection news, hoopla is off to a strong start, with more patrons using digital resources than all of last year. We're adding new titles regularly and reviewing all suggestions.

On the physical side of the collection, we've added new board games, reopened our garden tool sheds, added more local attraction passes (like the new LRCA Explore Pass) and, of course, we're always adding new books.

We look forward to seeing you this summer!

Service Interruption: Brodie Library will temporarily close on June 16th to make key safety improvements to the branch.

During this closure, we will be making changes to holistically address safety and security issues.

Our Research Department is still here to help with questions about local history at no cost during the closure. You can reach our Research Techs with inquiries at research@tbpl.ca.

We look forward to seeing you at Brodie Library again in September.
